## The restoration of OLIVE

In February 2016 OLIVE the railbus was extensively damaged in an arson attack at the Middleton Railway by 3 youths who set fire to her in broad daylight, totally gutting the vehicle. Luckily the alarm was raised in time for the Fire Brigade to put out the fire before it caused irreparable damage - although the interior was completely gutted and significant damage caused to the upper bodywork.

Olive's owners, the EM2 Locomotive Society (UK Charity 294207), are now working with the Vintage Carriages Trust and have agreed a plan to restore her to working order. For that to happen we need your help.

While insured the overall cost of repairs will exceed the insured value by around £9,000 and we need to raise at least this amount to enable repairs to go ahead. If you are able to help please fill in the form overleaf or visit: [cafdonate.cafonline.org/5250](https://cafdonate.cafonline.org/5250)
